He has discussed this with the property owners and two names have been proposed, Audet Drive and Freedom Drive. Two of the property owners favor the name, Freedom Drive. The Planning Commission recently approved the subdivision which will create three separate parcels off the current private driveway. There was a motion by Jacques and second by Anne to name the private road Freedom Drive. The motion passed unanimously. Scott will assign the new addresses and make the notifications to the property owners as well as to the State.

\$475.00. Yves will take measurements to make sure the 330 gallon tank will fit through the bulk head before purchasing. This will be discussed further at the January budget meeting.

**E. Painting:** Mary Lou said the walls need to be repainted. LaDonna has also had comments from people renting the Community Center that it could use some freshening. This will be discussed again at the budget meeting.

LaDonna will give Yves the paperwork for Joseph Berchick to fill out and will draft the letter of recommendation from the Selectboard.

**16. Town Meeting/Town Report-LaDonna Dunn:** LaDonna said she was approached at the last Town Meeting by a resident saying she felt the Town Annual Meeting should be first followed by the School Annual Meeting. LaDonna suggested since the largest portion of the property tax is for education and we've had productive and engaging conversations relating to the schools for many years, it is important to have as many people as possible at the school portion of the meeting. The Selectboard was in agreement and felt it should remain as it has been with the School Annual Meeting first followed immediately by the Town Annual Meeting. The Selectboard felt if people don't want to participate in the school meeting they have the option to arrive later in the morning. LaDonna also asked if the question being put before the voters relating to ATV's on North Hill Road should be an Australian ballot or floor vote article. The Selectboard felt a floor vote article would be appropriate.

**17. Other Business:**

**A. Letter from Rural Fire Protection:** Yves read a note thanking the Westfield taxpayers for the appropriation.

**B. Resignation of Zoning Administrator, Dennis Neumann:** Yves reported that Dennis Neumann has given his resignation from this position. He will stay until a replacement is found. LaDonna will post a help wanted notice in Town. The Selectboard will try to think of possible replacements.

**C. ANR Pilot Payment:** The Selectboard reviewed the December 3, 2017 letter from the State of Vermont Department of Forests, Parks and Recreation showing the start forest lands in Westfield being valued at \$3,962,200.00 which will bring an estimated Payment In Lieu of Taxes (PILOT) of \$24,141.90 for FY18.
