Position Statement in Accordance with the Federal Law:

The Americans with Disabilities Act (ADA)

It has come to our attention that certain individual(s) have been verbally and physically harassing, without provocation, particular residents of our town who were using the public space (such as roads) in an appropriate manner.

It is important to us, as your duly elected Selectboard, to strongly recommend to all our residents, as well as others using our roads to pass through Westfield, that they have restraint, respect, and compassion for our fellow citizens who may have physical, emotional, or mental challenges.

The ADA delineates strong guidelines for prosecution of actions taken to harass, harm, or discriminate against people with disabilities.

Adopted at the December 7, 2020 Selectboard Meeting.

Yves Daigle, Chair

Jacques Couture, Vice Chair
