Items discussed to cut back on were paving and chloride, however it's uncertain what the weather will be like for the coming year, and it was decided not to cut from these line items. Jacques discussed talking with Eric Kennison after the winter to see where the budget is at and if some summer work can be cut back on so there is not a deficit again next year. The final budget came to \$553,646, with \$82,400 raised by non-tax revenue and \$471,246 raised by municipal taxes. This amount includes a deficit from 2025 of \$67,932.02. Jacques Couture motioned to put the total highway budget of \$553,646, with \$82,400 raised by non-tax revenue and \$471,246 raised by municipal taxes before the voters at Town Meeting, Richard Degre seconded. Motion passed.
